THE WEATHER POP-UP BOOK by Maike Biederstädt

*Hardcover * 210 x 300mm * 12pages* pop-ups **

The forces of nature have a large impact on the earth. Nature brings severe storms and tornadoes, high ocean waves, snow, ice and rain , all which impact our daily lives. *The Weather* book tells us and shows us in pop-up form about the power of nature. A heavy cargo ship looks like a toy boat being between tossed about in the high waves of the sea, tornadoes can lift cars from the road and deposit them miles away. You can also enjoy the beauty of the weather like in the magic of a wonderful rainbow. The last spread explains how our way of life can affect the weather and climate change in things such as power plants, flight and logging.
